Whiskeys

The Telephone booth in our pub was ordered from Northern Ireland and shipped to Chicago. The new owner picked it up and intended to drive it to Winnipeg. On the way back he had truck trouble in Black Duck Minnesota. He had to trade the phone booth to cover the bill. We bought it from the mechanics shop in Black Duck and drove it back to Duluth without incident.

Professional Comedy every Saturday night. Dinner comedy available. Call for reservations, shows do sell out.

Whiskey Ball (ice ball) Their round shape reduces water dilution caused by melting ice while slightly chilling the liquor.
